CANTEEN INFORMATION

Lycée Français de Prague

WELCOME

DEAR PARENTS,

We want to introduce you to the school canteen, which is run by Fresh & Tasty, a member of the Zátíší Group.

Our mission is to teach children to make healthy food choices. We trust the suppliers from whom we purchase the best local ingredients for our meals. All our meals are cooked either on the day they are served or overnight. We invite and encourage you to come and see for yourself.

REGISTRATION

1 REGISTRATION

If you would like your child to eat with us, please register him/her in our system.

Already registered students simply reactivate their account by clicking on the link they receive in an e-mail from the canteen.

New students must apply to the school canteen online using an electronic form and pre-order lunches.

Please do so at lyceum.freshandtasty.cz/en/registrace before the start of the school year. In case of problems, contact us at lfp@zatisigroup.cz.

2 ELECTRONIC CARD

After registering, students in grades 6 and above will receive an electronic card to be used to pick up lunches in the canteen. Student cards for grades 2 to 5 will be managed by the school and canteen staff. The cards will be distributed by the school. On the first day of school, we will also serve lunch to students who do not yet have a card, **but only if they have registered.**

If someone loses their card, they should immediately notify the Floor Manager, who will immediately block it. A new card will be issued and the credit in the account will be transferred to it.

The price of a new card is CZK 100.

You can pay in cash or the amount will be deducted from your account. Please note that neither Fresh & Tasty nor Zátisí Group are responsible for misuse of the card, unless its loss has been reported. **If a student forgets to bring their card, they will have to wait until all those with cards are served. Only then will the Floor Manager search for the student's name in the checkout database and issue their lunch.**

The cards are valid for a student's entire period of study at LFP. Therefore no new cards will be issued every year.

LUNCHES

During the registration process, you can choose the days of the week when your child will eat in the canteen. Children have a choice of 3 options. On selected days, menu no. 2 for vegetarians and menu no. 1 for others will be automatically ordered.

As the student's schedule is still being decided, you can make this choice later. At any time during the first two weeks of school, you can contact the Floor Manager at lfp@zatisigroup.cz and ask to change the days when your child will eat in the canteen. Please include the student's name and ID number in the e-mail.

THE LUNCH MENU INCLUDES:

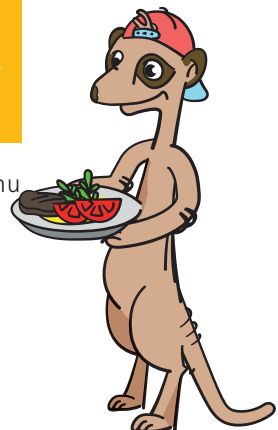

- pastries
- soup
- main course
(predominantly animal protein)
- side dish
- a portion of cheese or other dairy products
- dessert
- water

MENU FOR KINDERGARTEN:

Lunch for preschoolers consists of smaller portions of salad and fruit, vegetables, soup, main course, dessert, bread or other pastries and cheese. Water is served with lunch.

All-you-can-eat salad bar with a wide selection (fresh vegetables, fruit, ready-made salads, pastries, cheeses).

On days when pork is served as the main course on menu 1, children who do not eat pork should select menu option 2 or 3.

ORDERING/ CANCELING LUNCH

HOW CAN I ORDER OR CANCEL LUNCH?

You will be able to view the menu every week on the website **freshandtasty.cz/lfp**.

If you would like to order, change or cancel lunch, log in to your account at **lfp.freshandtasty.cz/login**. You will receive access information by email after registration. If several of your children use the school canteen, you will receive access information for each one separately.

Lunches can be changed or canceled online at least 2 days in advance by email to lfp@zatisigroup or by phone no later than 24 hours in advance.

Checking on lunches is the responsibility of the student's legal guardian; the school is not responsible for canceling lunches.

If you do not cancel the lunch in time, its price will be automatically deducted from your account.

School rules prohibit food prepared for LFP to be consumed outside the canteen. Therefore there can be no pickup or delivery of meals in case of a child's absence.

HOW DO I GET MY MONEY BACK WHEN MY CHILD LEAVES LFP?

If your child finishes their studies at LFP and has credit left in the account, provide your account number to the Floor Manager and the balance will be transferred to your bank account.

Accounts are maintained in the system for 6 months after a student has left the canteen, after which they are deleted.

Lycée Français de Prague supports healthy foods such as whole grain products, milk, fresh fruit, vegetables. Foods such as whole milk products, cakes and donuts will be available in limited quantities.

OUR NUTRITION THERAPISTS

We take balanced meals in our school canteens very seriously, which is why we teamed up with the nutritional therapists at nehladu.cz. They are currently helping us to revise our school menus and will continue to inspire and

educate us to provide healthy meals to your children.

ALLERGENS

All menus are available with a list of ingredients so that students with allergies or dietary preferences will be able to order the food themselves.

Fill up your **FRIDGE** with our food even at home

Meals are chilled and ready
to warm up.

They keep 2-5 days in the fridge.
