

## Dear Parents,

We are delighted to announce that from September 2026 Fresh & Tasty by Zátíší will once again operate the school cafeteria at English College Prague.

After a two-year break, we are returning with a new concept focused on freshly prepared meals, greater choice and a full-service dining experience directly at school. There will be no meal boxes – all meals will be served from school Cafeteria.

We look forward to welcoming students back to the cafeteria and introducing our new menu and services.

Online registration for the 2026/2027 school year will open during the first half of August. The registration form and access to the parent webcare will be available on this website <https://www.freshandtasty.cz/cz/skoly/english-college>
